

42U Networking Enclosure Rack Cabinet, 1000MM Depth, Standard package: Basic Frame + Front Glass Door + Rear Steel Vented Door + Side Panels + Castors & feet + M6 screw pack

**Model #: NR-6042**

### **UltraRack NR Series Networking Rack Enclosures System**

The UltraRack NR Series - provides a simple, stable and effective cabling platform for equipment within the rack frame. Extra space is provided to further enhance the front and rear cable management.

The NR series is carefully engineered to provide flexibility and reconfigurability whilst maximizing your investment protection in both your technology and your valuable data storage.

The NR series has been tested through sequential loading to ensure it provides a safe working environment. For ease of installation and transport, the NR Series has medium duty braked castors and static **load rated to 600 kg**.

### **Compatibility**

Being designed universal standards for the compatible mounting of both OEM manufactured servers, from leading vendors such as **IBM, HP, DELL and SUN**.

### **Critical Advanced Cooling**

Achieving significant cooling efficiency through outstanding design and engineering features.

Optimal thermal efficiency is gained via careful R&D in air flow direction and air throughput.

### **Cabling**

Providing a simple, versatile cabling pathway within the rack frame.

Numerous efficient cabling options allows easy passage of large quantities of cables.

### **Feature**

- Rolls through a 7 Foot Doorway. Including castors and leveling feet with an overall height of 80 inches / 2,020 mm.
- Swing handle lock, stylish single door lock bundled operates with the same key.
- Framework holds 1320lbs load rating.
- Overhead cable access allow for easy cable access from both the top and bottom of the rack.
- Protective grounding provisions provide safety protection against electric shock and reduction of EMI emissions.
- Unit marking located on mounting angles for easy equipment installation.
- Quick release doors & panels makes installation and maintenance makes easy.
